

## nice!nano MCU

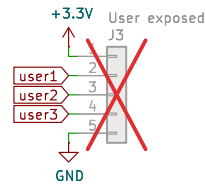

Ideally it would socket with something like this

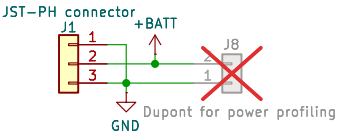

## Mounts, test points

## User

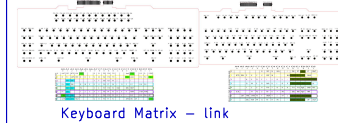

## Battery Connector

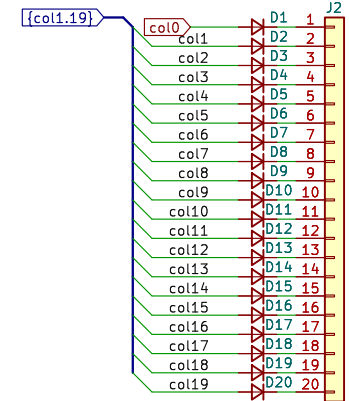

## Connector

TE Connectivity Trio-mate connectors  
Can be replaced with Connfly FFC/FPC  
BUT rotated 180deg

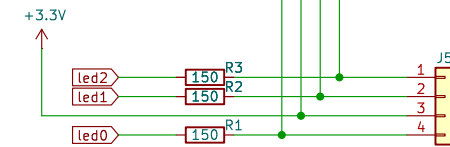

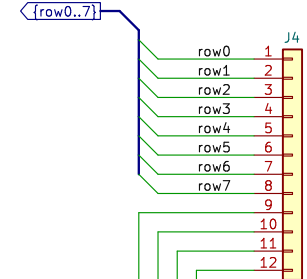

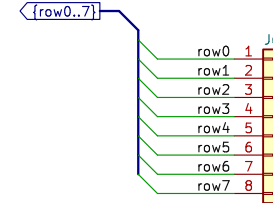

col0 separate so that waking  
up to button presses with  
disabled VCC works

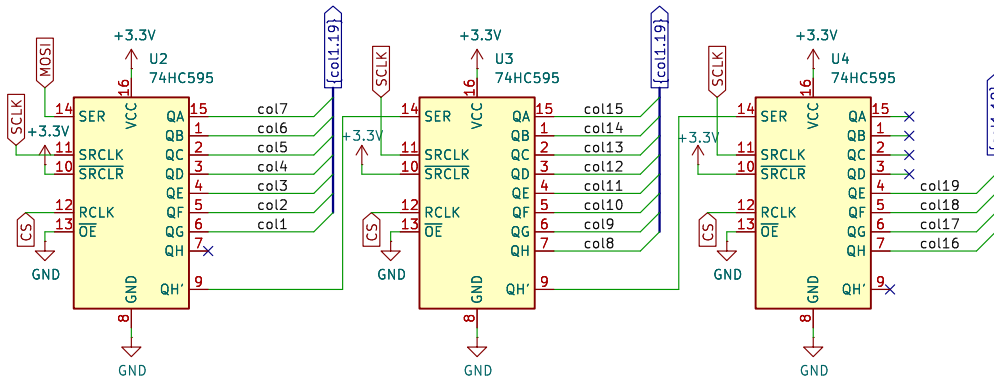

Keyboard Matrix - link

This one is for the 122key one
